

REMARKS

Applicants respectfully submit that new claims 9-20 are supported in the specification and that no new matter has been added.

Claim 9 is supported in the specification at least, for example at Figs. 2 and 3, and at page 1, lines 8-11; page 2, lines 15-21; page 5, line 25-page 6, line 2; page 7, lines 3-6 & 12-15; page 11, line 14-15, 19-22 & 25-26; and page 12, lines 14-18.

Claim 10 is supported in the specification at least, for example at Fig. 2, and at page 2, lines 17-21; page 6, lines 7-13; and page 12, lines 14-16.

Claim 11 is supported in the specification at Fig. 4, and at page 16, lines 10-26.

Claim 12 is supported in the specification at Fig. 4, and at page 16, lines 10-26.

Claim 13 is supported in the specification since it would be an obvious modification to the wavelength ranges as a results effective variable.

Claim 14 is supported in the specification since it would be an obvious modification to the wavelength ranges as a results effective variable.

Claim 15 is supported in the specification at least, for example at Fig. 3 since it would be obvious to modify the wavelength ranges in light of the disclosure of the specification and drawings.

Claim 16 is supported in the specification at least, for example at page 6, lines 11-13.

Claim 17 is supported in the specification at least, for example at Fig. 3, and at page 6, lines 7-13.

Claim 18 is supported in the specification at least, for example at Fig. 3.

Claim 19 is supported in the specification at least, for example at page 6, lines 11-13.

Claim 20 is supported in the specification at least, for example at page 2, lines 14-21, since it would be obvious to modify the wavelength ranges in light of the disclosure of the specification.

The claims added are believed to obviate any rejection over prior art and are believed to be patentable.

Applicant concurrently files a continuation application for prior pending claims 1-8.

Conclusion

Entry and consideration of this Amendment are respectfully requested.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

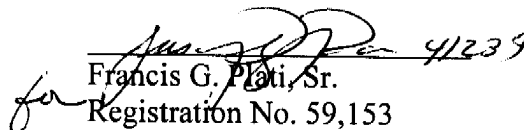

Respectfully submitted,
